

Essay Title: (Circle "Command Words" Key Terms to be addressed)

Introduction: Goals -

Most, but maybe not all of the following:

- *Directly address the Question you have set yourself.*
- *Present the argument*
- *Outline your approach to the Q. (i.e. how you are going to approach the question)*
- *To define key terms (to avoid ambiguity & confusion)*
- *Other "title-specific" issues that need to be addressed 'up front'*

Para 1. Key Argument:

Key Data:

Para 2. Key Argument:

Key Data:

Conclusion: Goals -

Some, or all of the following:

- *Sum up the argument you've presented*
- *Justify your position*
- *Demonstrate critical thinking and personal insight*
- *Consider the broader significance of what you've learned*
- *Return to the key language of your title and show how the evidence you've presented proves your argument.*

Para 3. Key Argument:
